Sub : Submission of Election Expenditure of the Party

Dear Sir,

With reference to your office letter No.: 10801/Elec, dated : 15.05.2019 and letter No.: 11043/Elec. Date 19.05.2019 we are to make the following statement regarding expenditure made by the party during the 2019 General Election to Odisha Assembly.

"That the party did not pay a single pie to its candidates. As regards submission of statement of expenditure, they have individually filed their statements within the scheduled date and time." In order to clarify on this we made a reference (over telephone) to principal secretary, Election Commission of India, New Delhi who said, "You need not file the statement if your party has not funded the candidates to fight the election."

In view of the above we thought there was no need for the party to submit another statement. It was a sheer confusion and a bit of misunderstanding on our part. The delay therefore may be condoned.

Yours faithfully,

(Baidyanath Mishra)
