

ELECTION COMMISSION OF INDIA
Nirvachan Sadan, Ashoka Road, New Delhi-110001.

PRESS NOTE

No MCS/PN/01/2000

NEW DELHI, January 08, 2000

Subject: **General Election to State Legislative Assemblies in Bihar, Orissa, Manipur and Haryana and Bye-elections to Lok Sabha and State Assemblies**

Under article 172 of the Constitution of India, the term of a State Legislative Assembly is five years from the date appointed for its first meeting unless dissolved earlier. Under Section 15 of the Representation of the People Act, 1951, the Election Commission is under a constitutional mandate to hold the election to a State Legislative Assembly any time within a period of six months before the expiration of the term of the House.

2 The term of the following State Legislative Assemblies are to expire on the dates noted against each.

STATE	TENURE OF THE EXISTING HOUSE
Manipur	21.03.2000
Orissa	22.03.2000
Bihar	09.04.2000

3. The term of the Haryana State Legislative Assembly was upto 21.05.2001. However, the Governor under article 174(2) of the Constitution of India on 14th December 1999 has prematurely dissolved the State Legislative Assembly. The last sitting of the State Legislative Assembly was held on 15.11.99. As per provisions of the Constitution, the next session of the State assembly has to be held on or before 14.5.2000.

4. It is therefore necessary for the Commission to decide on a schedule for elections

to constitute new assemblies in these four States. The number of seats is as indicated below.

State	Seats in the Assembly
Bihar	324
Haryana	90
Manipur	60
Orissa	147

ELECTORAL ROLLS

-

5. Under the provisions of section 21 of the Representation of the People Act, 1950, the electoral rolls shall be revised either intensively or summarily as the commission may direct before each general election or bye-election. If the rolls cannot be so revised, the commission therefore shall record reasons.

6. The electoral rolls in the States of Bihar, Haryana and Manipur are being revised with reference to 1.1.2000 as the qualifying date and have been finally published on 7.1.2000 except in the case of three assembly constituencies of Manipur, where the rolls would be published on 17.1.2000. The programme for revision of electoral rolls in the State of Orissa has been cancelled on account of the severe super cyclone, which affected the state. Election in the state will be held on the basis of the last published Roll.

-

BYE ELECTIONS

7. There are two clear vacancies in the Lok Sabha and 30 clear vacancies in the State Legislative Assemblies for which by elections can be held. A list of clear vacancies is given at Enclosure –1. The Commission proposes to hold Bye-elections for these constituencies simultaneously with the assembly elections for the four states.

DEPLOYMENT OF CENTRAL FORCES

9. The Commission held a meeting with Home Secretary and other senior officers of the Ministry of Home Affairs, Government of India and also with the Chief Electoral Officers and state government officers. On the basis of various inputs available to the

Commission the broad arrangements and plans for deployment of security forces including Central Para Military Forces have been worked out.

MODEL CODE OF CONDUCT

10. The Model Code of Conduct for Political Parties and Candidates comes into immediate effect in the States of Bihar, Haryana, Manipur and Orissa and in the whole of the districts in which any of the Parliamentary and Assembly constituencies where bye-elections are being held, are located.

11. In respect of Orissa, the Commission is aware that the State had to bear the brunt of a super cyclone of great severity. The Commission would like to clarify that the normal relief, rehabilitation and reconstruction work in the state are to be carried on as usual. The relevant Govt. officers and organizations in charge of the rehabilitation and reconstruction activities will carry on the same. No political functionaries either of the ruling party, or otherwise may be in anyway involved in the actual distribution of relief or implementation of any rehabilitation activities.

COUNTING AND RELATED ARRANGEMENTS

12. The Commission during 1999 General Elections made intensive use of Computer and Communication Technology for the Electoral Management and Administration, in general and more specifically for managing the counting process. The Commission proposes to continue similar arrangements for elections to the State Assemblies. All counting centres are proposed to be linked with computer and communications facilities for closely and effectively managing the counting process and for speedy dissemination of counting trends and results.

13. The Commission is confident that all the players in this exercise – the political parties, the candidates, the voting public and the entire election machinery, will fully appreciate the need to conduct this democratic exercise in a free, fair and peaceful manner, observing necessary restraint and discipline. The Commission will spare no efforts to keep up and improve upon the best democratic traditions established in the country over 50 years.
